

Agfa Cr 85

Vintage Box Cameras. Introduced in the 1820s, Box Cameras offered only the most basic form of image recording technology; a rectangular box with a fixed focus lens at one end and a roll of film at the other.

Agfa-Gevaert in 2020: advancing transformation despite ...

Agfa Cr 85

Agfa managed the Computed Radiography range well to keep the profit margins intact. Service revenues for this business area were kept at a decent level. Partly market driven and partly due to effects related to COVID-19, the CR top line declined. Private practices in India, Latin-America and other geographies are postponing their investments in ...

ADOX. Adox was a German

Page 2/23

camera and film brand of Fotowerke Dr. C. Schleussner GmbH of Frankfurt am Main, the world's first photographic materials manufacturer. In the 1950s it launched its revolutionary thin layer sharp black and white kb 14 and 17 films, referred to by US distributors as the 'German wonder film'. In the 1970s Dupont the new owners of the ADOX brand sold the recipes and ...
