Benjamin

"bad moral
character," (it
steals from
other birds); he
lobbied for the

Chaffinches,
whose Latin name
means
"unmarried," are
called "bachelor
birds" because
they congregate
in flocks of one
gender. Since
mockingbirds
mimic speech,
some Native
American tribes

fed mockingbird
hearts to their
children,
believing it
helped them
learn language.
A group of

chatter so when
they roost in

"Take the

Sixteen year old
Jules Blaze,
heir of a

his family hides
a forgotten
secret. It's bad
enough that his

Elfies of Reign,
triggered a
curse which
reduced the
entire

centuries ago.
All because of
one Keeper who

help ward off
this anathema.
Now, Gehzurolle,
the evil lord,
and his armies
of Scorpents,
seem bent on
destroying Jules
and his family.
Why?

Page 15/175

Gehzurolle's agents hunt for Jules as he journeys into enemy land to find the truth. Truth that could save him and his family, and possibly even reverse the age-long curse. Provided Jules doesn't get

Quach shares
her Calm

Page 33/175

show readers
how to deal
with toxic
stress and
adversity. We
often don't
realize how
much control
we have over
our thoughts,
feelings, and
actions--on

Page 34/175

some days, the most minor irritation can upset us, but on others, we are in our best form and can rise to challenges with grace.

**These
fluctuations**

Page 35/175

depend on the

According to

Page 37/175

Quach, people
function in
three primary
emotional
states: Brain
1.0, Brain
2.0, and Brain
3.0. In Brain
1.0, people
act out of
fear and self-
preservation.

Page 38/175

Brain 2.0
involves
instant
gratification
and chasing
short-term
rewards at the
expense of
long-term well-
being. Brain
3.0 is a state
of mind that

which people's

values. As

FORENSIC
INVESTIGATOR
Geoff

Bernasconi had
always been
passionate
about his job
as a policeman

Page 43/175

in rural New
South Wales
and, from the
earliest days
of his career,
went the extra
mile, both for
victims of
crime and for
their
families. But
one night in

Page 44/175

1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for

Page 45/175

him to forget.
Geoff's day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling

Page 46/175

downwards in
the grip of
post-traumatic
stress
disorder. When
Esther Mckay,
fellow
forensic
investigator
and author of

that Geoff has
been awarded

many of us can
hardly even

has emerged
from the

"There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a

fisherman, falls for
a wealthy stranger
at the seashore
near her home in
Korea. He
promises her the
world, but when
she discovers she
is pregnant--and
that her lover is
married--she
refuses to be

bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father,

Page 122/175

sets off a dramatic saga that will echo down through the generations.

Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's

to the pachinko

criminal

complex and
passionate
characters--strong,
