T6i/750D Your
Canon EOS Rebel
T6i/750D is
capable of
taking
incredibly cool
and truly frame-
worthy photos,
but unless you
know how use it

Page 4/135

properly your
pictures won't
be worth a
thousand words.
Luckily, Canon
EOS Rebel
T6i/750D For
Dummies is
packed with the
tips, tricks,
and instruction
you'd gain in a
photography

Page 5/135

course to take
the
intimidation
out of working
with your new
camera—so you
can start
taking stunning
photos right
away. Assuming
no prior
experience in
photography,

Page 6/135

this book gets
you up to speed
on core
photography
concepts, then
shows you how
to grasp using
the features
specific to the
Canon EOS Rebel
T6i/750D, like
working in
automatic mode,

Page 7/135

controlling
exposure,
selecting the
best lens for
the job, using
shutter and
aperture
priority modes,
knowing how and
when to use
flash, and so
much more.

Whether you're

Page 8/135

to record all your
camping adventures.*

Page 26/135

The possibilities are endless. This all-inclusive Camping Journal is the perfect way to record your adventures and keep track of those special places and people you've met! Purchase your copy now! Makes a wonderful gift for all camping lovers!

This book explores

Page 27/135

the significance of silence within and beyond pedagogical contexts. Silence is a complex and multidimensional phenomenon for everyday life: since schools mirror society, it is also significant in education. While silence can be experienced in a

multitude of different ways, the author reflects on whether silence itself can bear a message: is there an aspect of dialogue in silence, or is it a language all of its own? This book examines a variety of silences essential for education, examining such topics as silence and aspects of power,

Page 29/135

silent students, and the relationship between listening and silence. Drawing on a range of empirical data, the author elucidates the significance of silence in pedagogical contexts.

DK Eyewitness Top 10: Tallinn will lead you straight to the best attractions this

Page 30/135

lovely, historic city has to offer. Whether you are looking for a great place to stay, or the best restaurant to sample Estonian dishes, lively nightlife spots, or interesting architecture, this is your ideal companion. Rely on dozens of Top 10 lists-from the Top 10 festivals and events to the Top 10

After Effects CS5.5
Update: [/tv.adobe.com/show/after-effects-cs5-5-new-creative-techniques/](http://tv.adobe.com/show/after-effects-cs5-5-new-creative-techniques/) Chris and Trish Meyer have created a series of videos demonstrating how to use their favorite new and enhanced features in After Effects CS5.5. Virtually all of these

Page 34/135

videos use exercise files from *Creating Motion Graphics with After Effects (5th Edition for CS5)* as their starting point, extending the usefulness of this book for its owners. These videos may be viewed for free on AdobeTV. *
5th Edition of best-selling *After Effects* book by renowned

Page 35/135

authors Trish and
Chris Meyer covers the
important updates in
After Effects CS4 and
CS5 * Covers both
essential and advanced
techniques, from basic
layer manipulation and
animation through
keying, motion
tracking, and color
management * The
downloadable

Page 36/135

resources are packed with project files for version CS5, source materials, and nearly 200 pages of bonus chapters Trish and Chris Meyer share over 17 years of hard-earned, real-world film and video production experience inside this critically acclaimed text. More than a step-

Page 37/135

by-step review of the features in AE, readers will learn how the program thinks so that they can realize their own visions more quickly and efficiently. This full-color book is packed with tips, gotchas, and sage advice that will help users thrive no matter what projects they

Page 38/135

might encounter.
Creating Motion
Graphics 5th Edition
has been thoroughly
revised to reflect the
new features
introduced in both
After Effects CS4 and
CS5. New chapters
cover the revolutionary
new Roto Brush
feature, as well as
mocha and mocha

Page 39/135

manual-canon-vixia-hf-r300

shape. The 3D section has been expanded to include working with 3D effects such as Digieffects FreeForm plus workflows including Adobe Repouss é , Vanishing Point Exchange, and 3D model import using Adobe Photoshop Extended. The print version is also

Page 40/135

accompanied by
downloadable
resources that contain
project files and source
materials for all the
techniques
demonstrated in the
book, as well as nearly
200 pages of bonus
chapters on subjects
such as expressions,
scripting, and effects.
Subjects include:

3D Applications;
Puppet Tools;
Expressions; Exporting
and Rendering; and
much more.

With the end of
apartheid and the
exciting, but elusive,
advent of a new nation,
South Africa is witness

Page 43/135

to the emergence of a new generation of oral historians whose aim is to develop a broader, more inclusive, and culturally sensitive understanding of the South African past. In a country still wounded by a legacy of racial discrimination, the retrieving of oral memories is a task

Page 44/135

more urgent than ever.
Oral History in a
Wounded Country
shows how the cultural,
political, socio-
economic, and
intellectual evolutions
â ?? that gave birth to
South Africa as we
know it today â ??
affect the oral history
process. It will help
practitioners, whether

Page 45/135

they use oral history as one technique among others to gain a better knowledge of the past or envisage oral history as an academic discipline in its own right, to reflect critically on their practice and find better ways of handling the interview process. The challenge is to appreciate the

Page 46/135

complexity of South Africa's diverse histories, while being attentive to the dynamics of the interview and their effect on both interviewers' and interviewees' sense of identity.

The research interests of the staff of the Fluid Dynamics Research

Page 47/135

Branch in the general area of vortex flows are summarized. A major factor in the development of enhanced maneuverability and reduced drag by aerodynamic means is the use of effective vortex control devices. The key to control is the use of emerging

computational tools for predicting viscous fluid flow in close coordination with fundamental experiments. In fact, the extremely complex flow fields resulting from numerical solutions to boundary value problems based on the Navier-Stokes equations requires an

Page 49/135

intimate relationship between computation and experiment. The field of vortex flows is important in so many practical areas that a concerted effort in this area is justified. A brief background of the research activity undertaken is presented, including a proposed classification

Page 50/135

of the research areas. The classification makes a distinction between issues related to vortex formation and structure, and work on vortex interactions and evolution. Examples of current research results are provided, along with references where available. Based upon

Page 51/135

the current status of
research and planning,
speculation on future
research directions of
the group is also given.

DISCIPLE IV
UNDER THE TREE
OF LIFE is the
final study in
the four-phase

Page 101/135

DISCIPLE
program and is
prepared for
those who have
completed
BECOMING
DISCIPLES
THROUGH BIBLE
STUDY. The
study
concentrates on
the Writings
(Old Testament

Page 102/135

books not in
the Torah or
the Prophets),
the Gospel of
John, and
Revelation.
Emphasis on the
Psalms as
Israel's
hymnbook and
prayer book
leads natural
to an emphasis

Page 103/135

on worship in
the study.
Present through
the entire
study is the
sense of living
toward
completion -
toward the
climax of the
message and the
promise,
extravagantly

Page 104/135

pictured in
Revelation. The
image of the
tree and the
color gold
emphasize the
prod and
promise in the
Scriptures for
DISCIPLE IV:
UNDER THE TREE
OF LIFE. The
word under in

Page 105/135

the title is
meant to convey
invitation,
welcome,
sheltering,
security, and
rest - home at
last.

Commitment and
Time Involved
32 week study
Three and one-
half to four

Page 106/135

hours of
independent
study each week
(40 minutes
daily for
leaders and 30
minutes daily
for group
members) in
preparation for
weekly group
meetings.

Attendance at

Page 107/135

weekly 2.5 hour
meetings. DVD
Set Four of the
five videos in
this set
contain video
segments of
approximately
ten minutes
each that serve
as the starting
point for
discussion in

Page 108/135

weekly study
sessions. The
fifth video is
the unique
component that
guides an
interactive
worship
experience of
the book of
Revelation.
Under the Tree
of Life

Page 109/135

Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related

Page 110/135

Scripture and
its time
period. Set
decoration for
video segments
related to the
Writings
generally has a
Persian theme.
Set decoration
for the New
Testament video
segments

Page 111/135

emphasizes the simpler life of New Testament times.

A full-color guide to Nikon's exciting new entry-level dSLR With its large 24.2 megapixel sensor, full HD

The digital age is affecting all aspects of historical study, but much of the existing literature

Page 121/135

about history in the digital age can be alienating to the traditional historian who does not necessarily value or wish to embrace digital resources. History in the Digital Age takes a more conceptual look at how the digital age

is affecting the field of history for both scholars and students. The printed copy, the traditional archive, and analogue research remain key constitute parts for most historians and for many will remain precious and

esteemed over digital copies, but there is a real need for historians and students of history to seriously consider some of the conceptual and methodological challenges facing the field of historical enquiry as we enter the

twenty-first
century. Including
international
contributors from
a variety of
disciplines -
History, English,
Information
Studies and
Archivists - this
book does not
seek either to
applaud or

Page 125/135

condemn digital technologies, but takes a more conceptual view of how the field of history is being changed by the digital age.

Essential reading for all historians.

Oral History: An
Interdisciplinary
Anthology is a
collection of classic
articles by some of
the best known
proponents of oral
history,
demonstrating the

Page 130/135

basics of oral
history, while also
acting as a
guidebook for how
to use it in research.
Added to this new
edition is insight into
how oral history is
practiced on an
international scale,
making this book an
indispensable
resource for

Page 131/135

scholars of history
and social sciences,
as well as those
interested in oral
history on the
avocational level.
This volume is a
reprint of the 1984
edition, with the
added bonus of a
new introduction by
David Dunaway and
a new section on

Page 132/135

how oral history is practiced on an international scale. Selections from the original volume trace the origins of oral history in the United States, provide insights on methodology and interpretation, and review the various approaches to oral

Page 133/135

history used by folklorists, historians, anthropologists, and librarians, among others. Family and ethnic historians will find chapters addressing the applications of oral history in those fields.
