**John & Yoko/Plastic Ono Band**

Twenty years ago David Sheff climbed the back steps of the Dakota into the personal thoughts and dreams of John Lennon and Yoko Ono. From the kitchen to the studio and up those fateful Dakota steps, Sheff recorded 20 hours of tape, discussing everything from childhood to the Beatles. Sheff

gives a rare and last glimpse of John and Yoko, one that seemed to look beyond the kitchen table to the future of the world with startling premonitions of what was to come. A new edition of the best-selling guide to the stories behind all the Beatles' songs.

A complete and fascinating chronicle of Beatles music and history, Beatlesongs details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who

played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, Beatlesongs nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpool legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the Rubber Soul sessions, John's acid trip during the Sgt. Pepper's session, and the selection process for the Revolver album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and

unsuccessful -- collaborations.  
Beatlesongs is truly an inside look at  
the Fab Four and a treasure for all  
their fans.

the 26th edition of the most popular  
price guide in America, with  
accurate, up-to-date prices for  
almost every category of antique  
and collectible. 500 illustrations.  
16-page full-color insert.**

**Paintings exhibited for the first time  
last year in Siegen, Germany are  
collected in a volume that is**

**complemented by candid photographs by the knighted former Beatles star's late wife, Linda, and a lengthy interview with the artist. The Art of Jazz explores how the expressionism and spontaneity of jazz spilled onto its album art, posters, and promotional photography, and even inspired standalone works of fine art. Everyone knows jazz is on the cutting edge of music, but how much do you know about its influence in the visual arts? With album covers that took inspiration from the avant-garde, jazz's primarily African American musicians and their producers sought to challenge and inspire listeners both musically and visually. Arranged chronologically, each chapter covers a key period in**

**jazz history, from the earliest days of the twentieth century to today's postmodern jazz. Chapters begin with substantive introductions and present the evolution of jazz imagery in all its forms, mirroring the shifting nature of the music itself. With two authoritative features per chapter and over 300 images, The Art of Jazz is a significant contribution to the literature of this intrepid art form.**

*All you need is love ... but  
tell that to the Blue  
Meanies If they have their  
way, it will mean the end of  
music. But they haven't  
counted on young Fred - he  
climbs aboard the Yellow  
Submarine and journeys to  
Liverpool, where he finds  
four fab musicians who might*

*just be able to help.  
Offers a rare inside view of  
the Beatles and the cultural  
revolution of which they  
were a part, with a personal  
recollection of Harrison's  
evolution as a musician and  
composer.*

*Paul McCartney and John  
Lennon described him as the  
Beatles' "favorite group,"  
he won Grammy awards, wrote  
and recorded hit songs, and  
yet no figure in popular  
music is as much of a  
paradox, or as underrated,  
as Harry Nilsson. In this  
first ever full-length  
biography, Alyn Shipton  
traces Nilsson's life from  
his Brooklyn childhood to  
his Los Angeles adolescence*

and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and

the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for Midnight Cowboy), and in 1972 for "Without You," had two top ten singles, numerous album successes, and wrote a number of songs--"Coconut" and "Jump into the Fire," to name just two--that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as "the finest white male singer on the planet," but near the end of his life, Nilsson's career was marked by voice-damaging

substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's biography offers readers an intimate portrait of a man who has seemed both famous and unknowable--until now.

Invaluable to the many collectors of the wide range of items - pottery,

porcelain, tins, boxes, journals, bottles, etc. - made to mark great royal, political, sporting and military events. Helps in identification and shows both inexpensive, mass-produced items and valuable rarities. Jonathan Cott met John Lennon in 1968 and was friends with him and Yoko Ono until John's death in 1980. He has kept in touch with Yoko since that time, and is one of the small group of writers who understands her profoundly positive influence on Lennon. This deeply personal book recounts the course of those friendships over the decades and provides an intimate look at two of the most astonishing cultural figures of our time. And what Jonathan Cott has to say and tell will be found nowhere else.

From behind the drums to behind the

lens, in Photograph Ringo Starr opens his archives to share memories of his childhood, The Beatles and beyond. Rare and unseen photographs taken by Ringo, with others reproduced from his family albums, are showcased here for fans of The Beatles and anyone passionate about modern music. Accompanied by Ringo's original manuscript of over 15,000 words, Photograph gives unprecedented insight into the life of one of the world's greatest musicians. From Pwllheli to Delhi, obscurity to superstardom, join Ringo on his travels in his photographic memoir. A Tale of Love, Devotion, and Surrender

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. The story of rock lives in Lynn Goldsmith's photographs. After coming of age in the Midwest in the tumultuous 1960s, she

crashed the music scene in New York and emerged as one of its leading image-makers. She chronicled Bruce Springsteen's passage to glory, the Rolling Stones' legendary stadium tours, Michael Jackson's staggering ascent, U2's arrival in New York, and the brooding force of Bob Marley. Culture heroes like Bob Dylan and Patti Smith became frequent subjects for her lens. The range of her work is staggering. In *Rock and Roll Stories*, she shares the best of this work. Her commentary takes

the reader into the studio, the tour bus, the concert hall, and the streets where the pictures were made, offering revealing perspectives on her subjects and herself. A greatly expanded and newly designed edition of her very successful book PhotoDiary (1995), this volume captures the story of a generation's loyalty to rock and roll. Michael Spencer Jones is one of the UK's most influential rock photographers and was responsible for the images on the first three best-

selling Oasis albums.  
Supersonic: The Oasis  
Photographs documents  
Michael's travels with the  
band on tour and in the  
studio, revealing the  
stories behind the classic  
cover shots and providing  
a first-hand insight into  
the life of Oasis and the  
making of a rock'n'roll  
legend. This deluxe  
edition is signed by  
Michael, numbered and  
limited to 1,500 copies  
worldwide.

Imagine Sheet Music

This guide is designed for musicians and music professionals who wish to hone their knowledge of the music business. It is intended as a practical tool to help composers, performers and all those involved in the music world get into the specifics of the management of their intellectual property rights. The guide aims to provide instructive advice on how to build a successful career in music in both developed and developing countries, by generating income from musical talent.

Hippie Chick is a fine art, hardcover coffee table book by famed rock and roll photographer Jay

Blakesberg. Featuring 445 images shot over the past three decades, Hippy Chick celebrates the unique connection between the vibrant community of free-spirited women who are inspired by, and help inspire, live music. Blakesberg's visual anthropology beautifully captures the feminine festival and concert archetypes, and the individuals, who have graced the fields and performance halls of America since 1980. Earth mamas and fairy princesses, hula hoopers and whirling dervishes, front row regulars and flower crown makers; the entire tribe of dedicated, music-loving women--their fashion and their passion--is sensuously brought to life through Blakesberg's

artful lens. Iconic rocker and pioneering hippie chick Grace Slick (Jefferson Airplane) provides the book's Foreword, offering a retrospective of women in the original hippie-era music scene. In the Afterword, modern-day hippie chick and freewheeling frontwoman Grace Potter considers how women today carry on the legacy of the demographic. Freelance journalist Edith Johnson contributes the book's Introduction and chapter essays, entitled "Love," "Devotion," and "Surrender." During the preparation of *Hippie Chick*, Johnson interviewed 81 different women from the live music scene. Their colorful anecdotes have been distilled into a series of quotes

selected to accompany Blakesberg's images, bringing further dimension to the book's overarching theme of what it means to be a hippie chick.

A definitive, in-depth, revelatory exploration of John Lennon's intensely personal first major solo album after the breakup of the Beatles. Described by Lennon as "the best thing I've ever done," and widely regarded as his best solo album, John Lennon/Plastic Ono Band was released on 11 December 1970. With first-hand commentary by Lennon, Ono, and other members of the band, and packed with previously unseen photographs by those who documented their lives, this incisive

volume offers new insights into the raw emotions and open mindset of Lennon after marriage to Ono and the breakup of the Beatles, to the making of the album and revealing interview with Jann Wenner in December 1970. Primal therapy had a huge impact on Lennon's songwriting, resulting in the creation of intensely personal, soul-baring tracks. This book takes his lyrics as a starting point and explores Lennon's life, career, and self-perception, from "performing flea" with the Beatles to authenticity as a solo artist.
